## SOLDIERS' MONUMENT

**Annual Meeting of Fulton County Soldiers' and Sailors Memorial and Monumental Association—Officers Elected—Erection of Monument Indefinite**

A good number of the members of the Fulton County Soldiers and Sailors Memorial and Monumental Association commemorated Lincoln's Birthday by attending the annual meeting of that body in the court house last Monday afternoon; the meeting was called to order by the president J. M. Longnecker, the minutes of the last regular meeting, February 1916 were read and approved. The chairman of the board of trustees presented a copy of contract with the Bridgeport Bronze Company of Bridgeport, Connecticut for the erection of the Fulton County monument, which was read by the secretary, Mr. Shadle explained the circumstances which prevented the company from fulfilling their contract and erecting the monument in 1916. A recent letter from the company was read in which they stated that it was impossible for them to secure the necessary material for the monument or the class of labor competent to do the work but said that they hoped to be able to secure the material this spring. After lengthy discussion the association decided to let the contract with this company stand.

The secretary reported the sum of \$2451.15 to the credit of the Association in the banks of Wauseon and others stated that the sum of \$1500 would be forthcoming from the County Commissioners when the monument is erected.

The annual election of officers resulted in the selection of the same

board of trustees and other officers as last year with the exception of Milan Edridge as vice president for Dover township to fill the vacancy caused by the death of S. I. Spring. P. H. Bayes as vice president for Clinton township to fill the vacancy caused by the death of C. M. Spring and J. J. Waffle in place of V. W. Weeks as vice president for Pike township on account of Mr. Week's removal from the township.

**BUICKS EN-ROUTE**  
Hundreds of Buick cars have passed through Wauseon en-route from the factory at Flint, Michigan to Chicago and other Western points during the week.

A "fleet" of fifty-eight passed through town on Tuesday bound for Milwaukee. The reason for this is the inability of the manufacturers to secure railroad cars for shipment. The "Buicks" appear to be able to deliver themselves to purchasers providing some one will sit at the wheel and guide them.

**ANNUAL DINNER**  
The Woman's Relief Corps will give their Annual Dinner on Washington's Birthday, Thursday February 22nd, at the G. A. R. Hall, to the members of Louise Post No. 35 and their wives, the members of the Relief Corps and their husbands and the Associate members.

A collection of war time drawings by French artists is now being exhibited in the public library assembly room. The exhibit is free to every resident of Wauseon.

The drawings shown are excellent black and white reproductions of drawings that have been presented to the United States by France in recognition of the relief work done by Americans during the European war. The reproductions are the gift of Ambassador Sharp to the Cleveland Museum of Art, which has loaned them for several weeks to the Wauseon library.

## LINCOLN BANQUET

Addresses By Judge Bowersox of Bryan and Editor Waltz of Delta at Lincoln Day Banquet at Congregational Church Monday Evening.

Fifty men gathered in the parlors of the Congregational church last Monday evening to celebrate the 108th anniversary of the birth of the great American, Abraham Lincoln.

The banquet was served by the Ladies Aid Society of the Congregation. The church, the parlors were decorated with the American colors and flags were hung in every available space on the walls. A fine portrait of Lincoln was hung in a prominent place and the tables set in the form of three sides of a square were resplendent with the red, white and blue and masses of miniature flags which were used as favors for the banqueters.

Rev. W. C. Schafer acted as toast master and introduced the speakers of the evening. Mr. C. E. F. Waltz, Editor of the Delta Atlas gave a fine address which held the close attention of the men present and demonstrated Mr. Waltz's ability as a public speaker.

His topic was "The Man Inside" and he made it both practical and an inspiration to activity in and through the church for the uplift and progress of the community.

Judge Bowersox proved himself "the man eloquent" in his address on Abraham Lincoln whose unique character he depicted in all its rugged and simple grandeur showing the real greatness of the man whom he believed God raised up to meet the great crisis in this nation that found expression in the Civil War and culminated in the emancipation of the negro slaves and the cementing of the Union of the States.

Judge Bowersox addressed a glowing tribute to the memory of Lincoln. Remarks from Messrs. Dodge and Hoch of Delta and E. E. Hallett of Archbold followed.

A temporary organization of a Congregational Men's Brotherhood was effected by the selection of F. R. Guilford as president, E. G. Cole as vice president and an executive committee consisting of M. L. Altstetter, W. C. Schafer and F. E. Kenyon.

## FATAL ACCIDENT

**Auto Truck Turns Turtle On Road East of Swanton Causing Death of Marion Snyder of Delta.**

An accident that brought a shock to the citizens of Delta occurred last Thursday afternoon when the auto truck owned and driven by D. A. Snyder of that city turned turtle on the road about four miles east of Swanton killing his son Marion Snyder who was riding with his father.

Mr. Snyder and Marion were returning from Toledo when according to Mr. Snyder the machine began to weave from one side of the road to the other. Mr. Snyder claims to tell just what he did but thinks that he pressed down on the brake lever and the cut off at the same time; the truck turned over and was laid on its bottom side up in the ditch pinning both Mr. Snyder and his son to the ground.

Mr. Snyder has no recollection of how long he remained in this condition or whether he was conscious all the time or not he remembers asking his son if he was hurt and the son replied that he was. He then asked him if he could stand it and Marion replied "not very long father."

Passing autoists and some nearby farmers came to the rescue and succeeded in lifting the truck from the imprisoned men. Marion was dead when the truck was lifted from him. Mr. Snyder was badly bruised but received no internal injuries and was able to walk about the next day.

Marion Snyder was a young man highly esteemed by those who knew him, having friends in Wauseon as well as Delta.
